

Dear band members

We want to maximise the safety and wellbeing of our participants. In the event of you being taken ill or having an accident at concerts and practice sessions, you may want us to tell an emergency contact of your choosing that something has happened. A Teifi Ukulele Group Committee member would have access to the information below to respond appropriately should anything unfortunate happen.

So, please let us know how you would want us to respond if any emergency were to happen. To do this, fill in the details below and hand them to a Teifi Ukulele Band Committee member. If any of the details change, let the Committee know, so that we can always act according to your wishes.
